Customer Service | Call Center Support | Inbound & Outbound Calls | Client Relationship Building | Issue Resolution
De-escalation | Case Documentation | Account Support | ServiceNow | Microsoft Office | SharePoint | Remote Support |
Cross Functional Collaboration | Process Improvement

PROFESSIONAL EXPERIENCE

VXI Global Solutions | Technical Support Advisor

05/2026 - Present

- Assist customers with technical, account access, and service related concerns, using structured troubleshooting and clear step by step guidance.
- Document customer issues, actions taken, resolutions, and escalations while meeting established service and quality expectations.
- Take ownership of customer interactions from initial contact through resolution or escalation, helping customers understand next steps and available options.

Deloitte Consulting | Solution Specialist

09/2020 - 05/2025

- Supported internal and external stakeholders across multiple client engagements by coordinating requests, resolving issues, tracking follow ups, and communicating status clearly.
- Managed ServiceNow approval and support queues, reviewed documentation, monitored service targets, and escalated missing information or time sensitive issues.
- Handled 10 to 15 concurrent privacy and client incidents, coordinating with Legal, engineering, and product teams through investigation, remediation, and closure.
- Created guides, SharePoint resources, and process documentation that made information easier for teams and customers to find and use.

First Citizens Bank | Client Operations Specialist

01/2020 - 09/2020

- Resolved more than 600 commercial title issues by researching account documentation, coordinating next steps, and maintaining accurate records.
- Worked with customers and internal teams to address documentation gaps while meeting state DMV and lien requirements.

TD Bank | Auto Collections Specialist

05/2016 - 12/2018

- Managed inbound and outbound customer conversations regarding past due auto accounts, payment options, and account status.
- Recovered approximately \$25,000 per month while maintaining professional, respectful customer interactions and following consumer protection requirements.
